## Electrical connection to a socket in Switzerland

Please note that the electrical outlets in Switzerland are different. The plugs of electrical appliances in most European countries are therefore not compatible. These are usually SCHUKO power sockets and plugs. Please take a suitable transition piece, so that your electrical appliances to Switzerland match on Swiss electrical outlets. See also:

## Food / Spices

We are often asked if salt and pepper and other spices are available. For hygiene and sanitary reasons, we will dispose of all food and spices of the last guests.

## Dish washing machine

In all apartments, except the studio, you will find a dish washing machine. It is free of charge. We recommend using your own washing powder or tabs.

## Washer and dryer

A washer, combined with a dryer is available in the 2.5 and 3.5 room suite (per washing and drying CHF 3.00). We recommend you: bring your own washing powder with you.
