wonderful cooking

Dining table with view of TV and radio

Sofa bed for 2 people

very comfortable master bedroom

Description

A Comfortable and fully equipped suite. Comfort kitchen with wash- and tumbler machine. It's ideal for families with 2 children. The living room has a comfortable sofa, which can sleep 2 persons. It is easy to use. The couch width amounts to 1.65m, the couch length 1.95m. Each person has a separately adjustable head heading and sleeps on high-quality bed contents; the same, as in the parents' bedroom. A washing machine and a dryer for laundry are in the suite.

The perfect and with all arranged kitchen, cooking-stove possesses a 4-ceramic-hob, a steam exhaust hood, a large refrigerator with separate cool fold, a table-ware washing-up machine for 6 covers as well as a comfort baking-oven to grill, roast and brown. It has much space for foods and drinks. In the living room a simmering board with glass cover is located, on it a flat TV with remote maintenance. Also a high quality radio-system type TEAC, with CD-player, i-pot and DVD-player. The beds are equipped with Premium health mattresses of Bico. A 5-door wardrobe in the luxury room with central mirror gives much reservoir also for an extended family. Bath/WC/shower is equipped with electric heating and towel dryer. The soils in sleep and living rooms are suitable wash and wear laminate in cherry, suitably too the colour of the whole Suite. Internet access in the hotel lobby and in the Apartments (cable and / or Wireless LAN)

In the entry area of the hotel are the check-in-desk, the ski room, a play room with table tennis and billiard, as well as a small library. Furthermore a seasonally operated restaurant, an indoor swimming pool with fitness-machines and a sauna. The hotel is central convenient. The ski and snowboard area is 5min. away from the hotel. With the last downhill you can ski directly to the hotel. In 5 min you can walk to the post office, in a restaurant or in a bakery. A postbox in the house and the postman comes daily.
